

1 Identification													
1.1	Product identifier												
(a)	<table border="1" style="width: 100%;"> <tr> <td style="width: 30%;">Product Code:</td> <td>071A-YJ0512/071AA-T2011-YJ-f</td> </tr> <tr> <td>Product Name:</td> <td>Western Yellow Jacket Membrane Lures</td> </tr> </table>	Product Code:	071A-YJ0512/071AA-T2011-YJ-f	Product Name:	Western Yellow Jacket Membrane Lures								
Product Code:	071A-YJ0512/071AA-T2011-YJ-f												
Product Name:	Western Yellow Jacket Membrane Lures												
(b)	Other means of identification: No applicable information is available												
(c)	Recommended use: The product is intended for use as an attractant for Yellow Jacket wasps (<i>Vespula sp.</i>)												
	Restrictions for use: No applicable information is available												
	Active Ingredient: This product consists of powder formulation of mixture of non-toxic food proteins and carbohydrates in membrane bags. This product is further sealed in an impermeable bag for shipping and storage.												
	CAS Number: No applicable information is available												
	Other Ingredients: No applicable information is available												
Relevant identified uses of the substance or mixture and uses advised against													
	<table border="1" style="width: 100%;"> <tr> <td style="width: 30%;">Product use</td> <td>Used for the attraction and containment of insect pests</td> </tr> </table>	Product use	Used for the attraction and containment of insect pests

2 Hazards Identification													
(a)	<table border="1" style="width: 100%;"> <tr> <td style="width: 30%;">Classification of the chemical in accordance with paragraph (d) of §1910.1200, OPP and GHS criteria:</td> <td>No applicable information is available</td> </tr> <tr> <td>Acute Oral Toxicity</td> <td>No applicable information is available</td> </tr> <tr> <td>Acute Inhalation Toxicity</td> <td>No applicable information is available</td> </tr> <tr> <td>Skin Irritation</td> <td>May be irritating to skin.</td> </tr> </table>	Classification of the chemical in accordance with paragraph (d) of §1910.1200, OPP and GHS criteria:	No applicable information is available	Acute Oral Toxicity	No applicable information is available	Acute Inhalation Toxicity	No applicable information is available	Skin Irritation	May be irritating to skin.				
Classification of the chemical in accordance with paragraph (d) of §1910.1200, OPP and GHS criteria:	No applicable information is available												
Acute Oral Toxicity	No applicable information is available												
Acute Inhalation Toxicity	No applicable information is available												
Skin Irritation	May be irritating to skin.												

SAFETY DATA SHEET

(b)	Primary Eye Irritation Sensitization Signal word, hazard statement(s), symbol(s) and precautionary statement	May be irritating to eyes. No applicable information is available No applicable information is available
(c)	Other hazards	No applicable information is available
(d)	Statement of the mixture	No applicable information is available
	HMIS® Rating	
	Health:	0
	Flammability:	0
	Reactivity:	0
	Protection:	No applicable information is available
	Safety Phrases:	No applicable information is available
	UN Number:	No applicable information is available
	Classification of the substance or mixture	No applicable information is available
For additional information on toxicity refer to Section 11.		
3	Composition/Information on ingredients	
	Substances	The insect attractant lures do not contain ingredients in any quantity to be hazardous
(a)	Active Ingredients and Chemical Name:	Proprietary mixture of non-toxic food proteins and carbohydrates
(b)	Common names:	No applicable information is available
	Other Ingredient:	No applicable information is available
	Mixtures	
(c)	CAS Number:	None
(d)	Impurities and stabilizing additives which are themselves classified and which contribute to the classification of the substance.	No applicable information is available
4	First Aid Measures	

(a)	Description of first aid measures	No applicable information is available
(b)	Most important symptoms and effects, both acute and delayed	
(c)	Indication of any immediate medical attention and special treatment needed	No applicable information is available
	- Inhalation	Remove to fresh air. If breathing is difficult, get medical attention.
	- Eyes	Immediately flush eyes water for at least 15 minutes lifting upper and lower lids. Get medical attention.
	- Skin	Wash skin with soap and water. If irritation develops or persists, get medical attention.
	- Ingestion	If person is conscious wash out mouth with water. Get medical attention.
5	Fire-Fighting Measures	
(a)	Suitable extinguishing media	Equipment: Respiratory protection Auto-ignition Temperature: In formulation: Not applicable Flammability: In formulation: Not applicable Extinguishing Media: Water spray. Carbon dioxide, dry chemical powder or appropriate foam.
(b)	Special hazards arising from the substance or mixture	Specific Hazard(s): Combustible liquid. Emits toxic fumes under fire conditions.
(c)	Precautions for fire-fighters	In formulation: Protective Equipment: Wear self-contained breathing apparatus and protective clothing to prevent contact with skin and eyes.
6	Accidental Release Measures	
(a)	Personal precautions, protective equipment and emergency procedures	Use personal proactive equipment as indicated in section VIII.
	Environmental precautions	Wash spill site after material has been picked up.
(b)	Methods and material for containment and cleaning up	Sweep up, avoid raising dust, and transfer to a suitable waste container for disposal.
7	Handling and Storage	
(a)	Precautions for safe handling	Use with adequate ventilation. Avoid contact with eyes and skin, wash thoroughly after handling.
(b)	Conditions for safe storage, including any incompatibilities	Store in tightly closed container in cool, dry place.
8	Exposure Controls/Personal Protection	
(a)	OSHA permissible exposure limit (PEL),	No applicable information is available

(a)	Reactivity	No applicable information is available
(b)	Chemical stability	Stable
(c)	Possibility of hazardous reactions	No applicable information is available
(d)	Conditions to avoid	No applicable information is available
(e)	Incompatible materials	Strong oxidizing agents
(f)	Hazardous decomposition products	Carbon dioxide and Carbon monoxide
11	Toxicology Information	
(a)	SKIN CONTACT: SKIN ABSORPTION: EYE CONTACT: INHALATION: INGESTION:	The chemical component of this lure may cause skin irritation upon prolonged contact. Product may be absorbed through the skin upon prolonged contact. Product may cause eye irritation if directly rubbed in eye. This product has very low release of chemical difficult to inhale. Product could cause choking if swallowed.
(b)	Symptoms related to the physical, chemical and toxicological characteristics.	To the best of our knowledge, the chemical, physical and toxicological properties of active ingredient have not been thoroughly investigated.
(c)	Delayed and immediate effects and also chronic effects from short- and long-term exposure.	No applicable information is available
(d)	Numerical measures of toxicity (such as acute toxicity estimates).	No applicable information is available
(e)	Whether the hazardous chemical is listed in the National Toxicology Program (NTP) Report on Carcinogens (latest edition) or has been found to be a potential carcinogen in the International Agency for Research on Cancer (IARC) Monographs (latest edition), or by OSHA.	No applicable information is available
12	Ecological Information	
(a)	Eco-toxicity	No data available.
(b)	Persistence and degradability	No data available.
(c)	Bio-accumulative potential	No data available.
(d)	Mobility in soil	No data available.
(e)	Other adverse effects	No data available.
13	Disposal Considerations	
	Waste treatment methods	Waste disposal method: Incineration or sanitary landfill

SAFETY DATA SHEET

		in accordance with local, state and federal regulations.
14	Transport Information	
(a)	UN number	No applicable information is available
(b)	UN proper shipping name	No applicable information is available
(c)	Transport hazard class(es)	No applicable information is available
(d)	Packing group	No applicable information is available
(e)	Environmental hazards	No applicable information is available
(f)	Transport in bulk according to Annex II of MARPOL73/78 and the IBC Code	No applicable information is available
(g)	Special precautions which a user needs to be aware of, or needs to comply with, in connection with transport or conveyance either within or outside their premises.	Free for all transportation systems
15	Regulatory Information	
	Safety, health and environmental regulations/legislation specific for the substance or mixture	European information Based on toxicological studies in the published literature, there are no risk and safety phrases to assign for this product.
	Chemical safety assessment	United States Regulatory Information SARA Listed: No. (active ingredients) TSCA Inventory Item: Yes (active ingredients) Listed as carcinogen by NTP, IARC or OSHA?: No
	Signal word	Canada Regulatory Information WHMIS Classification: This product has been classified in accordance with the hazard criteria of the CPR, and the MSDS contains information required by the CPR.
16	Other Information	
	<p>HMIS® ratings are based on a 0-4 rating scale, with 0 representing minimal hazards or risks, and 4 representing significant hazards or risks. Although HMIS® ratings are not required on MSDSs under 29 CFR 1910.1200, the preparer may choose to provide them.</p> <p>HMIS® ratings are to be used only in conjunction with a fully implemented HMIS® program by workers who have received appropriate HMIS® training. HMIS® is a registered trade and service mark of the NPCA.</p> <p>Acronyms: NTP (National Toxicology Program); IARC (International Agency for Research on Cancer); OSHA (Occupational Health and Safety Administration); DOT (U.S. Dept. of Transportation)</p>
